Placeholder resume to be replaced

Prénom Nom Web & application developer

This file is a placeholder shipped with the website.
Drop your final resume into portfolio/public/cv/
keeping the exact file name resume-en.pdf.

The download link on the site points to this file:
no code change is required.

Tips:

- one page under 5 years of experience, two at most
- export as text-based PDF (not an image) to stay ATS-readable
- rename to resume-firstname-lastname.pdf before sharing
- update the resumeUpdated field in src/data/site.ts
